ABOUT ME

Hello! I'm a model and performing artist (dancer, singer, actor) based in Los Angeles. I am passionate about movement, highly trained in Indian classical dance and hold an MA in anthropology of dance. I started modeling seriously in 2022 and as you'll see in this lookbook, my modeling work includes two campaigns for *Fabletics LLC*, work with *Muze* magazine, a promotional shoot with *Zara*, and other passion projects I have done on my own to build my book.

Much Love,
Shiv
